

I am moving house

- Plan a meeting with Jan de Jong to get a quote
- Ask your employer about a removal compensation
- Terminate your lease for your old rental place
- Removal of your phone/internet and TV
- Inform the school of your children
- Make arrangements with the new owners of your old house
- Make arrangements with the old owners of your new house
- Ask for information about rental support ('huursubsidie')

- Request for removal leave with your employer
- Take measurements of the new house
- Terminate the contract of your help
- Arrange for the PostNL removal services
- Start cleaning and ordering your house
- Ask for information of schools, public transport, city council ordinances
- Register your children at their new school

4-2 week prior to moving

- Inform the insurance of your planned removal
- Terminate your electricity/gas/water contracts of your old house
- Arrange for new contracts for electricity/gas/water for your new house
- Clear out the goods that are not going to move to the new house
- Arrange temporary storage with Jan de Jong Top Movers

2 weeks prior to moving

- Sending a change of address
- Arrange for care for your children and pets during your removal
- Informing your landlord
- Return library books
- Put your important documents / goods in a bank vault

1 week prior to moving

- Clean your new house
- Clean all fixed lights
- Take down the curtains (except in the bedrooms)
- Inform the suppliers
- Pack the goods I do not need anymore
- Get meals for the packing day and removal day
- Make sure you have enough coffee etc., for in your new house
- Arrange for the municipal cleansing department to collect household refuse
- Empty and clean the garbage bins of your old house
- Take the contents of the toxic waste bin to the municipal cleansing department

1 day prior to moving

- Defrost and clean the fridge
- Defrost and clean the freezer
- Secure the drum of your washing machine
- Disassemble your furniture
- Take the pendulum out of your clock
- Reserve a parking space for the moving van
- Pack the last few things

Removal Day

- Remove the curtains of the bedrooms
- Put away the keys in a key bag
- Put money / pay cards in hand luggage (separate places)
- Check the house for any remaining goods
- Write down the final numbers for your gas etc.
- Close down the gas and electricity when needed
- Close the water pipes
- Close all windows and doors
- Hand over the keys of your old house
- Say goodbye to your neighbours

After arriving in your new house

- Put everything / have everything put in the correct place as much as possible
- Check all unpacked goods for damage
- Make a room inhabitable as soon as possible
- Hang the curtains of the bedrooms
- Acclimatise the fridge and freezer for 1 day
- Loosen the drum of your washing machine

After my removal

- Unpack everything or ask us to do it for you instead
- Notify us of possible damage that was not immediately visible
- Arrange for the empty moving boxes to be collected
- Pay the invoice to Jan de Jong Top Movers
- Register your change of address with your city council

1 month after your removal

Does the unpacking take more time than you had thought, or is it not going according to plan?

Please contact us by phone +31 50 313 91 49 or email info@jandejong.nl.
